DIRECTOR'S CORNER

Hello everyone! My name is Stephen Durrell, and I am the Executive Director of the Kansas Lottery.

It has been a while since *Lotto News* has been published, and the Kansas Lottery team is excited to once again be able to offer this publication to our players.

I want to thank each one of you for your continued support of the Kansas Lottery. The past few years have been quite a whirlwind with many changes due to circumstances beyond anyone's control. Yet despite the hardships, rapid changes, and disruptions, we found a way to work through it all and not only survive, but thrive. I am so very proud of the Kansas Lottery team for all we have achieved in the past year.

I would also like to say thank you to our retailers across Kansas. Since March 2020, the Lottery has been adapting in real time and our retailers have adapted with us. Our successes as an agency are dependent on the support of our retailers, who have been essential not just to us, but to their communities as well. Thank you for your partnership, and we look forward to continuing to work together to find safe and fun ways to grow and succeed.

As we move into the future, we have some exciting things planned here at the Lottery, much of which you can find more details on in this issue! The Holiday Millionaire Raffle officially began on Sept. 1, 2021, and we certainly did not anticipate how quickly tickets would sell! So far, more than half of tickets have been purchased. If you haven't yet, make sure to go grab one before the game sells out!

The holiday season means new festive instant tickets as well, and The Perfect Gift family of tickets is ready to stuff some stockings! Make sure to enter your non-winning Perfect Gift tickets into PlayOn as well, as there is a second-chance opportunity to win up to \$10,000 cash in The Perfect Gift Bonus Cash drawing!

Please also remember to visit any of our four Lottery Gaming Facility locations for additional fun and excitement: Boot Hill Casino in Dodge City, Hollywood Casino in Kansas City, Kansas Star Casino in Mulvane and Kansas Crossing Casino in Pittsburg! We thank them for the terrific job they've done of ensuring the state casinos are a safe entertainment option for our players!

We continue to have many new games, trips, prizes, and exciting adventures planned for the upcoming year. We hope you will join us in these exciting times and enjoy these new directions with us! Thanks again for playing the Kansas Lottery, and good luck!

KANSAS LOTTERY ENCOURAGES RESPONSIBLE GIFTING FOR THE HOLIDAYS

The holidays are officially upon us! And while lottery tickets surely make holiday shopping a

little easier, the Kansas Lottery is reminding players that only those 18 years or older are permitted to play.

This year, the Kansas Lottery, in partnership with the National Council of Problem Gambling and the International Centre for Youth Gambling Problems and High-Risk Behaviors at McGill University, is joining a worldwide effort to remind everyone that lottery tickets aren't child's play and players must gift responsibly.

"Lottery tickets are a fun way to celebrate the holiday festivities, but they are not for children," said Executive Director Stephen Durrell. "The Kansas Lottery takes responsible gaming seriously, and reminds all gift givers that lottery tickets are appropriate gifts only for those 18 years or older."

It is illegal for a Kansas Lottery retailer to knowingly sell a lottery ticket to a minor. The potential penalty for selling lottery tickets to a minor is up to one year in jail and a \$2,500 fine. Minors are also prohibited by law from claiming a prize won on a Kansas Lottery ticket.

The holiday season is also a valuable opportunity to remind players to play responsibly. If you or someone you know has a gambling problem, call the Kansas Problem Gambling Helpline at 1-800-522-4700. Calls are free and confidential, and no-cost treatment is available to problem gamblers and other individuals concerned about problem gamblers who live in Kansas. For more information about problem gambling and available resources in Kansas, visit <http://www.ksgamblinghelp.com/>.

So remember, if you're going to gift Lottery products this year, keep a person's age in mind and gift responsibly!

Happy holidays from the Kansas Lottery!

RAFFLE RETURNS – YOUR BEST ODDS AT \$1 MILLION!

The 13th Annual Holiday Millionaire Raffle kicked off Sept. 1, 2021! The game is Kansas' best chance to

win—or give—\$1 million! The 2021 Holiday Millionaire Raffle boasts more than \$1.6 million in prizes to be drawn out of only 150,000 available tickets! Each ticket is \$20, with prizes between \$50 and \$1 million.

The Grand Finale event will take place at approximately noon on January 5, 2022, at the Kansas Lottery Headquarters in Topeka. The \$1 million winning number will be televised across Kansas! All winning numbers will be available on the Kansas Lottery website.

Along with the Grand Finale announcement, there will be three Early Bird drawings in the 2021 Holiday Millionaire Raffle as well! The three Early Bird drawings will each be for a \$30,000 prize! The dates of the Early Bird drawings are: October 3, November 7, and December 5, 2021.

When they're gone, they're gone, so make sure to purchase your ticket today!

DRAW GAME CHANGES. The Lucky for Life and Powerball games have increased their draw frequency, offering more chances to win millions!

On July 19, Lucky for Life, with a top prize of \$1,000 a day for life, expanded from two days a week to seven days a week! Since the game's introduction to Kansas in November 2016, one Kansan has won the top prize and six others have won the second-tier prize of \$25,000 a year for life.

On August 23, Powerball expanded its drawings from two days a week to three days a week, with the extra drawing taking place on Monday. The Powerball jackpot has been won in Kansas 11 times since 1993, and 26 other Kansas Lottery players have won \$1 million or more!

The cost per play, how to play the game, and the prize structure will remain the same for both games. Players have until 8:59 p.m. CT on draw days to purchase tickets.

\$45.1 MILLION IN PRIZES WON JULY TO SEPTEMBER.

Kansas Lottery players took home a whopping \$45.1 million in lottery prizes won or claimed from July to September 2021! Of that amount, \$39.5 million was claimed on instant scratch games, \$5.2 million was won on draw games, and \$2.8 million was won on monitor games.

Kansas is one of eight states where winners can claim their prizes anonymously. The Kansas Lottery saw 59 players

claim instant prizes of \$10,000 or greater, and several of those winners publicly shared their stories with the Kansas Lottery. [Page 4]

The Kansas Lottery encourages players to double-check their tickets since many prizes remain unclaimed! Players have 365 days from the date of a drawing to claim their prize. For instant games, players have 180 days from the date a game ends to claim.

TERRY PICK UP
HIS NEW CHEVY!

A. You'll see **Terry Dunsworth of Hutchinson** zooming around town in a brand new Chevrolet Silverado, as he is the first Grand Prize winner in the **\$10 Silverado** game! The prize package, worth **\$100,000** total, also includes \$10,000 in cash.

"I've been playing every week since the Kansas Lottery started up in the '80s, but I've never won anything this big!"

Dunsworth picked up his truck at the end of June after deciding on a slate gray truck with black leather interior. You can see a video about his win on our social media pages! The winning ticket was sold at **Kwik Shop 769** at 8 N. Main St. in South Hutchinson.

B. Routine paid off big for **Chris Gast of Wamego**! On his way to work, he typically stops to buy a couple of scratch tickets while drinking his morning coffee. This led to Gast winning not one but two big prizes, for a total of **\$11,000!**

Gast first won \$10,000 on the **\$20 \$1000,000 Cash Party** game, and then **\$1,000** on the same game two weeks later!

With the winnings, Gast said he will add to his coin collection and purchase a new air conditioner for his home. The winning tickets were sold at **Short Stop 8** at 807 Highway 24 in Wamego.

C. Dreams have turned into reality for **Mason Krentz of Silver Lake** after he won **\$75,000** on the **\$10 100X** ticket! Krentz had vividly dreamed of winning \$25,000 just a few days prior, and then he ended up winning three times what he had envisioned!

"I didn't think I'd win much on this one because only one number had matched, but then it showed the \$75,000!"

Krentz plans on using the money on a new vehicle for his wife and on a plot of land in Silver Lake, as well as add to their mutual fund. The winning ticket was sold at **Buy and Ride 7** at 810 SE 15th St. in Topeka.

D. **Cornelius "CJ" Johnson of Hutchinson** buys **\$2 Double Bonus Crossword** tickets to unwind from his shifts as a chef at a local restaurant. It was the last ticket Johnson scratched at 1:30 a.m. that won him **\$20,000!**

"The Crossword stimulates me mentally and I'll usually have a few on hand to scratch after work. And I always buy five, same time and same place."

Johnson plans to use the money to help expand his business—a local catering company, Suthern Comfort—and send some of the winnings to his mother. The winning ticket was sold at **Yesway Store 1044** at 901 E. 11th Ave. in Hutchinson.

E. A Fourth of July surprise was in store for **Jeffery Flavin of Russell**, who shares a birthday with the holiday! Flavin won **\$50,000** by matching four numbers and the **Powerball** from the July 3 Powerball drawing!

The winner usually purchases one ticket every few weeks, and had run into Casey's to grab a slice of pizza before getting back to work, deciding to grab a line of Quick Pick numbers at the same time.

When he and his daughter were on their way home from visiting his mother after the holiday, Flavin had his daughter check the numbers on the Kansas Lottery website.

SOMEONE IS ALWAYS WINNING AT THE KANSAS LOTTERY! CHECK OUT THESE BIG WINNERS WHO SHARED THEIR STORIES WITH US IN RECENT MONTHS!

"She told me I had most of the numbers, but didn't know for sure how much it had won until she used the 'check my numbers' tool! I thought it won maybe \$2... but then it showed us how much the ticket actually won and that's when we got really excited!"

Flavin plans to spend the money on an already-planned Omaha trip, but also wants to take his family on a bigger vacation later in the year as well as stash some in savings. The winning ticket was sold at **Casey's General Store 1957** at 1600 E. 27th St. in Hays.

F. Diane Stryker of Marysville had a string of good luck after she used her lucky quarter to scratch her tickets, and won **\$15,000** on the **\$3 Loteria** game!

Stryker normally doesn't purchase scratch tickets, but decided to buy some after not being able to go to the casino as planned. She first won \$31 total on different games and used those winnings to buy a few more tickets later in the week, which netted a \$50 winner! She waited a few more days to cash in that prize, and used the money towards another pile of tickets,

including four from the Loteria game, the third of which won \$15,000!

The winner says she'll use the money towards bills and debt, but also wants to buy her granddaughter a swing set. The winning ticket was sold at **12th Street Liquor** at 200 North 12th Street in Marysville.

G. A Kansas City, Kan., woman's frown was turned upside down with a **\$15,000** win on the **\$3 Plinko** ticket! **Lora Ferguson** was having a rough day, so she went to her usual spot to grab a drink and a bite to eat.

"Then spur of the moment, I told the clerk to give me one Plinko ticket."

Ferguson scratched the ticket in her work's parking lot and saw a line cleared all the way to the top prize!

"I went inside and two of my coworkers were there and they said I had a look on my face. And I just immediately broke down because I was having that type of day. I told them 'I've been blessed with \$15,000!'"

The win is a huge blessing for her as she is a single mom of four and has seven grandkids, in addition to being her mother's caretaker part time in the evening. She plans to take her "grandbabies" to Disney World in the spring with the money! The winning ticket was sold at **7-Eleven 13245E** at 2500 Central Ave. in Kansas City.

H. A Wichita woman had double the luck on the first **Mega Millions** ticket she ever purchased! **Toni James** added on \$1 Megaplier, her ticket, which would have typically won \$10,000, but doubled that prize to **\$20,000!**

"It was the first time I've ever played Mega Millions, so I didn't really know how to fill out the play slip. I told my friend to fill out the first numbers that came to his head."

The winner is excited the prize will help her pay off some debt and bills. The winning ticket was sold at **QuikTrip 328** at 2801 S. Hydraulic Ave. in Wichita.

I. Marsha Silver of McPherson was given a birthday gift of two **\$2 Double Bonus Crossword** tickets from a coworker, one of which ended up winning **\$20,000!**

“My coworker and I both had birthdays and got two Crossword tickets in our cards. She had scratched hers and asked me if I won anything and that’s when I showed her the ticket and told her I had to go to Topeka!”

Besides celebrating, Silver says she’ll spend the winnings on family. The winning ticket was sold at **Dillons 36** at 1320 N. Main St. in McPherson.

J. Rusty Khafizov of Shawnee buys a single line of Quick Pick Powerball numbers every so often at whatever gas station he’s closest to. When the

winning ticket told him to claim at Lottery Headquarters, he finally looked up the winning numbers online and saw he matched enough numbers to nab a **\$50,000 Powerball** win!

“I saw that the jackpot was getting high, so thought I might as well! The most I’ve ever won was \$400 earlier this year, but I’ve never really had any luck with any raffles or anything like that. So this is the first time I’ve won anything near this big!”

Khafizov plans to use the money to expand his small business—Level Up Concrete LLC—as well as put some toward a down payment on a house when the time is right. The winning ticket was sold at **QuikTrip 185R** at 10301 W. 75th St. in Shawnee.

K. Joe Krogman of Marysville had gone out for a morning coffee at his normal spot the day before his birthday. While there, he asked the clerk to give him two **\$2 Flip Flop Cash** tickets, one of which won **\$10,000!**

“At first she only gave me one to start with, but I asked her for another. It’s a good thing I did because it was the second ticket that had won \$10,000! I even took a picture of the ticket and sent it to my sister. I told her ‘happy birthday to me!’”

Krogman plans to keep the money in savings for now, but said the money will be handy when he and his wife travel to Las Vegas in the spring to visit their daughter. The winning ticket was sold at **CJ Express 1** at 1202 11th Rd. in Marysville.

Kansas is one of eight states where winners can claim their prizes anonymously. Some of our big winners decided to remain anonymous but still share their stories!

JULY 7, 2021 A **Sedgwick County** resident claimed a **\$250,000** prize

won on the **\$250,000 Jackpot** ticket! They plan to save most of the money, but also want to splurge on a boat.

JULY 28, 2021 Another **Sedgwick County** resident had some great luck, but on **Super Kansas Cash!** The player matched all five numbers and the Cash Ball in the July 26 drawing to win the jackpot of **\$538,544!** The winner plans to pay off their home, but also travel to see family on both coasts.

AUG. 6, 2021 A **Lincoln County** couple won **\$75,000** on the **\$10 Hit It Big** ticket! The couple buys tickets several times a week, and it was the first of three Hit It Big tickets that won

the first top prize in the game! The couple plans to save most of the money.

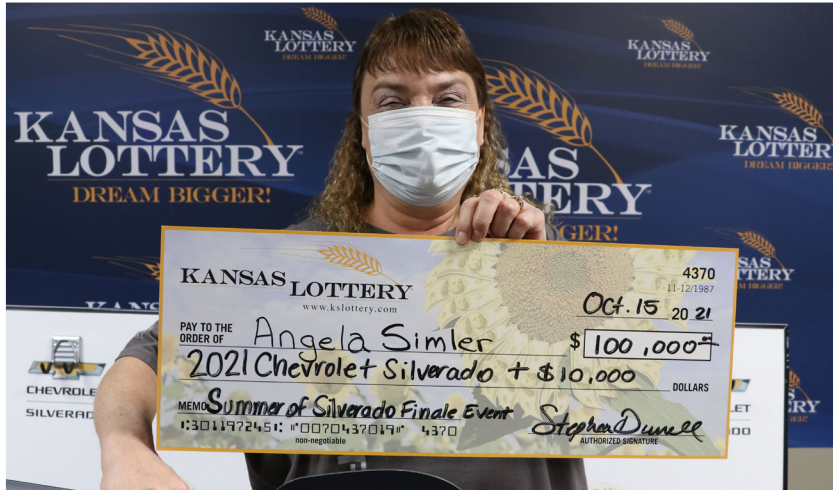

AUG. 17, 2021 A couple from **Johnson County** claimed a **\$50,000 Powerball** prize from the August 14 drawing! The couple plans to invest in some nice sports equipment and go on vacation.

SEPT. 7, 2021 A **Neosho County** resident claimed an instant ticket prize of **\$250,000!** The player won the top prize on the Kansas Lottery’s **\$30 Multiplier Super Ticket** game. The winner plans to spend much of the money on expanding their business, as well as put some toward family expenses.

RETAILER Q & A

SHOP QUIK 8 IN JUNCTION CITY
TAMMY LAMBERT, MANAGER

HOW DOES THE LOTTERY IMPACT YOUR STORE DAY TO DAY? We do a great deal of lottery sales. In fact, I sell more Lottery tickets than anything else!

WHAT GAME IS THE MOST POPULAR? Crosswords are always popular, but we have had lots of success with the “farm-themed” games, such as Cash Crop, Winner Winner Chicken Dinner, and other games like that. They’re very popular here!

DO YOU DO ANYTHING SPECIAL TO PROMOTE THE KANSAS LOTTERY? We just make sure our tickets are stocked and visible, and when someone is checking out, we ask if they’d like anything else like a lottery ticket. And if someone is already buying a ticket, we double check to ask if they’d like anything else as well.

CASEY'S BAR AND GRILL IN WICHITA
CHRISTINA HESTON, OWNER

HOW DOES THE LOTTERY IMPACT YOUR STORE DAY TO DAY? Quite a bit! Some folks come in here just to hang out and play the Kansas Lottery, especially Racetrax and Keno.

WHAT GAME IS THE MOST POPULAR? Racetrax is our most popular game right now. Other patrons will see the people playing the game and winning and want to take part, plus the video of the horse race is eye-catching.

WHAT IS THE BIGGEST PRIZE SOMEONE HAS WON PLAYING IN YOUR BUSINESS? One of the people who plays a lot won a Superfecta on Racetrax, which is around \$5,000! She was watching the race and when she won everyone was excited. All the regulars know about the win!

FOOD MART 3 IN GARDEN CITY
VINNY PATEL, MANAGER

HOW DOES THE LOTTERY IMPACT YOUR STORE DAY TO DAY? The Lottery has a big impact on our store, especially when the jackpots are up. People will come in to buy a Powerball or Mega Millions tickets, and then also grab a snack or something.

WHAT GAME IS THE MOST POPULAR? Scratch tickets, especially Crosswords, are far more consistent for us than draw games. Crossword games are always in demand, and we can go through one to two books a day with some games.

WHAT IS THE BIGGEST PRIZE YOU HAVE SOLD IN YOUR STORE? We sold a \$1 million Powerball ticket in 2017. And we have sold other big prize winners in scratch games, like \$10,000 and \$20,000!

RETAILER SELLING TIP

Retailers—customers and players look for new scratch games! The Kansas Lottery promotes new game launches on PlayOn, the Lottery website, social media, and the weekly Facebook Live Vault Party. The Kansas Lottery even sends out a monthly flyer in ticket shipments highlighting the new games that will launch the following month! New games are loaded with prizes just waiting to be won, so players actively pursue them.

Don't let this opportunity pass you by! New games are typically shipped to retailers at the end of the month to be in stores for the beginning of the next month. The more quickly you can get them in your dispenser (within 24 to 36 hours after launch), the more you will be able to provide those new games to customers seeking them out!

Older games can, at times, block your slots for these new games, so if you have questions about which games you could remove to make a spot for, please contact your District Manager. They are a knowledgeable resource when it comes to instant sales!

Players—visit your favorite Kansas Lottery retailer today and ask for new games! If they don't have it in stock right away, they may get it in soon!
