Lawrence Man Wins \$75,000 Second-Chance Prize!

TOPEKA, KAN. – David Garza of Lawrence is feeling out of this world today after winning the \$75,000 Grand Prize in the Cosmic Cash second-chance promotion at the Kansas Lottery headquarters in Topeka!

There were a total of 10 finalists from all across the Sunflower State. To win a spot in the grand finale event, players entered their non-winning \$5 and \$10 Cosmic Cash instant tickets into PlayOn®. A \$5 ticket earned one entry in the drawing, and a \$10 ticket earned two entries. The promotion had a total of 230,632 entries and ran from May through October of this year.

None of the finalists walked away empty handed, though! Each player was able to experience the thrill of the win! The complete list of winners and their prize amounts is as follows:

1. Larry Basnight of Mission - \$10,000
2. Carol Tripp of Salina - \$50,000
3. Steven Greer of Bonner Springs - \$10,000
4. Shellie Clawson of Topeka - \$25,000
5. James Ingram of Salina - \$10,000
6. Xandrea Fearce of Kansas City, MO - \$25,000
7. Brian Rogers of Dodge City - \$10,000
8. Darren Davison of Hutchinson - \$10,000
9. David Garza of Lawrence - \$75,000
10. Conner Meza of Manhattan - \$25,000

“I’m still in shock, honestly,” said David Garza, the grand prize winner. “I came here expecting to probably just win \$10,000. I never win anything, so I certainly wasn’t expecting this!”

When asked if he had any plans for his winnings, Garza just laughed it off. “I still can’t believe that it’s real, so I don’t know what we’re going to do just yet. The one thing I do know is that we’re going to take a trip somewhere fun to celebrate!”

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn® Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn® is a registered trademark of Pollard Banknote Limited used under license.
