Notes:

The following providers had a negative carryover from September to October, resulting in the reported October State Share calculating as less than 10%.

- DraftKings Retail
- BarStool Online

Primarily due to promotional play during the player acquisition period, the following providers have yet to report net positive revenues. Until there is net positive revenue, they will be reflected as zero Revenues and zero State Share on this report. See the Detail Breakdown report for more complete information about these providers.

PointsBet Online reported positive Revenues and State Share in September, but did not report net positive Revenues in October. Until there is net positive revenue again, they will be reflected as zero Revenues on this report. The prior month State Share of sports wagering revenues is not refunded to the provider when subsequent carryovers occur. See the Detail Breakdown report for more complete information about this provider.
