Notes:

PointsBet Online had a negative carryover from October to November, resulting in the reported November State Share calculating as less than 10%.

Primarily due to promotional play during the player acquisition period, BetMGM Online has yet to report net positive revenues. Until there is net positive revenue, they will be reflected as zero Revenues and zero State Share on this report. See the Detail Breakdown report for more complete information.

Primarily due to promotional play during the player acquisition period, DraftKings Online and FanDuel Online reported net positive revenues for the first time in November. They were reflected as zero Revenues and zero State Share on this report in previous months. See the Detail Breakdown report for more complete information about these providers.
