**\$1.35 Billion Mega Millions Drawing Tonight; \$1 Million Winning Ticket Remains Unclaimed**

TOPEKA, KAN. – The jackpot for the upcoming Mega Millions drawing has climbed to **\$1.35 billion** with a cash option of **\$707.9 million**, making it the second-highest Mega Millions jackpot of all time! The next Mega Millions drawing is tonight, January 13, with cutoff for entry at 8:59 p.m. central time.

Mega Millions was last hit on October 14 in both Florida and California. It has been rolling for 25 consecutive draws, and has seen 68 winning tickets of \$1 million or higher sold in that time, including one \$1 million winner in Kansas!

In the Tuesday, January 10 Mega Millions drawing, one ticket in Kansas matched all five numbers but not the Mega Ball to win \$1 million! The ticket was sold in Southeast Kansas and remains unclaimed at this time. The winning numbers in that drawing were **7 – 13 – 14 – 15 – 18 Mega Ball 9**.

The Southeast Kansas region includes the following counties: Chase, Lyon (southern half), Coffey, Anderson, Linn, Greenwood, Woodson, Allen, Bourbon, Elk, Wilson, Neosho, Crawford, Chautauqua, Montgomery, Labette, and Cherokee.

Mega Millions draws every Tuesday and Friday, with tickets starting at \$2 per play. Players can add the Megaplier option to their ticket for an additional \$1 per play, which multiplies any win (except the jackpot) by up to 5 times!

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn<sup>®</sup> Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn<sup>®</sup> is a registered trademark of Pollard Banknote Limited used under license.
