Powerball Jackpot Raised to \$1.3 BILLION for Next Drawing!

TOPEKA, KAN. – The Powerball jackpot has been raised to \$1.3 BILLION with a cash option of \$608.9 million ahead of the Saturday, April 6 drawing. This is the 4th largest Powerball jackpot, and the 8th largest US Lottery jackpot of all time!

Saturday will mark the 41st drawing in this Powerball run, which will tie the game's record jackpot run. If the jackpot rolls again Saturday night, it will become the games longest streak without a jackpot winner.

There have been several winners across the Sunflower State during this Powerball run, including a \$150,000 winning ticket from Wednesday night's drawing. Multiple \$50,000 winning tickets have been sold from different regions across Kansas during this run as well. To see the winning numbers from previous drawings, check the Kansas Lottery website [here](#).

Players have until 8:59 pm on draw days to get their ticket. Powerball plays on Mondays, Wednesdays, and Saturdays. Tickets start at just \$2, and players can add the Power Play multiplier for an additional \$1. For more information on Powerball, see the Kansas Lottery website [here](#).

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn[®] Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn[®] is a registered trademark of Pollard Banknote Limited used under license.
