RE: Extension of deadlines for approval of Lottery Gaming Facility  
manager contracts under the Kansas Expanded Lottery Act (SB 66)

Dear Governor Sebelius:

Earlier today a special meeting of the Kansas Lottery Commission (Commission) was convened for the purpose of considering an extension of the deadlines for entering into and approving contracts with prospective Lottery Gaming Facility managers under the Kansas Expanded Lottery Act (SB 66). It is the opinion of the Commission that the Executive Director of the Lottery and the Commission have acted in good faith to comply with the 90-day deadline set forth in SB 66, New Section 3(d), but due to a variety of factors the Executive Director and the Commission may not be in a position to meet one or more of those deadlines. Pursuant to SB 66, New Section 5(f), the Commission voted to apply to you for an extension of the deadlines. Therefore, the Commission respectfully requests that you extend this Commission's deadlines for entering into and approving contracts with all prospective Lottery Gaming Facility managers to the following dates:

Southeast Gaming Zone – May 5, 2008  
Southwest Gaming Zone – May 27, 2008  
South Central Gaming Zone – May 27, 2008  
Northeast Gaming Zone – May 27, 2008

(Note: The applicable 60-day extension for all Zones falls on a weekend or holiday. The new deadline dates requested are the next-following business days.)

If this application is approved, please so indicate by signing below. Thank you.

Sincerely,

Ed Van Petten, Executive Director Kansas  
Lottery, for Harold Nye, Chairman Kansas  
Lottery Commission
