Powerball Ticket worth \$150,000 Sold in Colby, Kansas

TOPEKA, KAN. – The \$150,000 [Powerball](#) winning ticket from the August 17 drawing has been claimed! An Indiana resident traveling through Kansas purchased the winning ticket that matched four of the first five Powerball numbers plus the Powerball to win \$50,000. Since he also purchased the Power Play option, his prize tripled to \$150,000!

“I travel a lot and always buy Powerball tickets in each state I visit,” said the winner, who wished to remain anonymous. “I checked my ticket when I returned home and couldn’t believe how much I’d won. I thought about claiming my prize by mail, but decided against it. I was afraid it would get lost in the mail. After winning \$150,000, I didn’t mind making another trip to Kansas.”

The lucky winner purchased his \$15 Quick Pick Powerball Power Play ticket at Oasis Travel Truck Center, located at 700 Horton Ave. in Colby. For selling the big winning ticket, the store is eligible for a \$1,000 selling bonus.

The estimated Powerball jackpot for Wednesday night’s drawing is \$154 million, with a cash option of \$107 million.
