Prairie Village Resident Claims Record Super Kansas Cash Jackpot worth \$3.16 Million

TOPEKA, KAN. – A Prairie Village resident has claimed a record Super Kansas Cash jackpot worth \$3,160,431 in last night’s drawing! The lucky winner, who wished to remain anonymous, matched all numbers on a \$5 Quick Pick ticket. The winning Super Kansas Cash numbers from the September 21 drawing are 07-08-14-28-29 Cashball 07.

“When I was reading the newspaper this morning, I noticed the Super Kansas Cash jackpot had been hit and decided I’d better check my ticket,” said the winner. “When I got to work, I looked up the winning numbers on the Lottery’s website and was nearly speechless when I realized I had all the numbers. I immediately called my wife. When she answered, I said, ‘Are you sitting down? I think we just won the Super Kansas Cash jackpot!’”

After talking to his wife, the winner made the trip to Lottery headquarters in Topeka to claim his jackpot prize.

“I play Super Kansas Cash every week,” said the winner. “Sometimes I pick my own numbers and some days I’ll do a Quick Pick. You always hope you’ll win, but you never really expect it to happen.”

The Prairie Village resident said he plans to share his winnings with his three grown children. He purchased the jackpot-winning ticket at Hen House 22, located at 4050 W. 83rd St. in Prairie Village. For selling the winning ticket, the store is eligible to receive a \$1,000 selling bonus.

The Super Kansas Cash jackpot returns to an estimated \$100,000 in the September 24 drawing.
