

Lucky for Life® features a top prize of \$1,000 a day for life as well as a second prize of \$25,000 a year for life. It is the only lottery draw game where the prize won is directly tied to the life of its winners.

HOW TO PLAY:

1. Ask the store clerk for a Quick Pick (QP) ticket or fill out a play slip. Each play slip has five boards. Each board costs \$2. Each board contains two sets of numbers: one set from 1 through 48 and the second set from 1 through 18.
2. To play a board, pick five numbers from the set of 48 numbers, then pick one number (the Lucky Ball®) from the set of 18 numbers. Fill in the circles for the numbers you wish to play. Do not use red ink and do not erase. If you make an error, mark the VOID circle, and then make selections on another board.
3. You may purchase the same boards for up to 15 consecutive draws on one single ticket when you check the appropriate number of draws in the “multi-draw” circle.
4. You may select QP and have the computer randomly pick the numbers for you. Either mark the QP option on the play slip for up to five boards and your desired multi-draw option or ask the store clerk for a QP ticket for up to 10 boards and your desired multi-draw option.
5. Tickets cannot be canceled after issued. You are responsible for the selection of your numbers and options, not the retailer or the Lottery.

DRAWINGS ARE HELD AT APPROXIMATELY 9:38 P.M. (CT) EVERY MONDAY AND THURSDAY.

You have until 7:59 p.m. on draw days to purchase tickets.
