Holiday Millionaire Raffle Tickets more than Half Gone!

TOPEKA, KAN. – Players excited about the possibility of winning \$1 million or another cash prize in the Holiday Millionaire Raffle have already scooped up more than half of the available tickets. As of 4 a.m. October 24, 98,579 raffle tickets remained to be sold. Only 200,000 of the \$20 tickets will be sold, and once they're gone, they're gone! This is the eighth year for the Holiday Millionaire Raffle, which has sold out each year it has been offered.

Early Bird drawings in which players can win thousands of dollars are helping drive sales. Tickets purchased before an Early Bird drawing are eligible to win in that drawing and all subsequent drawings including the Grand Prize drawing January 3, 2017, in which the Lottery will draw a \$1,000,000 winning number and other numbers to win from \$100 to \$25,000. Here are the winning numbers in the first four Early Bird drawings. Three tickets remain unclaimed:

October 9 – 037383 – (\$25,000 prize) – sold in South Central Kansas (unclaimed)

October 16 – 076889 – (\$10,000 prize) – sold at Circle K Store in Dodge City

October 20 – 007933 – (\$10,000 prize) – sold in South Central Kansas (unclaimed)

October 23 – 073916 – (\$10,000 prize) – sold in South Central Kansas (unclaimed)

The next Early Bird drawing for \$10,000 cash will be October 27. Other \$10,000 Early Bird drawings will be held October 30 and November 3, 6, 10, and 13. The final Early Bird drawing on November 27 will have a \$25,000 prize.

The Holiday Millionaire Raffle is also loaded with \$20 Instant Win Cash Prizes, and we do mean loaded! More than 20,000 players have already won \$20 at the time they purchased their tickets. That's like getting your raffle ticket for free! Instant Win Cash Prizes are being issued throughout the state and throughout the run of the game. Players can redeem their \$20 Instant Wins immediately. Once a \$20 Instant Win ticket is redeemed, the player will receive an "exchange ticket" with the same raffle number that was on their original ticket.
