Mulvane Resident Wins Second \$10,000 Early Bird Prize!

TOPEKA, KAN. – Cynthia Dossey has had great luck playing the Kansas Lottery’s Holiday Millionaire Raffle game. In 2011, the Mulvane resident claimed a \$10,000 Holiday Millionaire Raffle Early Bird prize, and Wednesday she was back at Lottery headquarters in Topeka to claim another \$10,000 Early Bird prize she won in the November 3, 2016, drawing! Her winning raffle number is 010261.

“I can’t believe I did it again!” said Dossey. “I bought my ticket early so I would have a chance to win in all the Early Bird drawings, but I never thought I’d actually win again. I didn’t even realize I had won until a week after the drawing. When I looked up the numbers, I couldn’t believe what I was seeing. I showed the ticket to my husband Michael and he couldn’t believe we’d won again either.”

After realizing she had won a \$10,000 cash prize, Dossey decided to try her luck again and bought another Holiday Millionaire Raffle ticket.

“When I bought the second ticket a couple of weeks ago, I won one of the \$20 instant win prizes,” said Dossey. “I couldn’t believe it! Since I essentially got a free ticket with the \$20 instant win, I went ahead and bought a third ticket. Maybe that will be the ticket I’ll win an even bigger prize on in the Grand Prize drawing!”

This year’s Holiday Millionaire Raffle offers players a chance to win thousands of dollars in 11 Early Bird drawings. Tickets purchased before an Early Bird drawing are eligible to win in that drawing and all subsequent drawings including the Grand Prize drawing January 3, 2017, in which the Lottery will draw a \$1 million winning number and other numbers to win prizes from \$500 to \$25,000.

Dossey purchased her winning Holiday Millionaire Raffle ticket at Dillons 81, located at 13415 W. Maple in Wichita.
