10th Largest Powerball Jackpot of All Time Draws Tonight!

TOPEKA, KAN. – At an estimated \$750 million, Monday night's Powerball drawing will be one of the biggest jackpots in the history of the game, and the biggest Powerball jackpot in more than a year!

The Powerball jackpot has been rolling all summer and has already created more than fifty \$1 million winners throughout this run. Kansas had a big Powerball win last week, as one ticket sold won \$150,000. That prize has been claimed anonymously.

There are other jackpots that play on Monday nights as well! Lotto America is a multi-state game with tickets starting at just \$1. Players can add the All Star Bonus multiplier for an additional \$1. The Lotto America jackpot for tonight is an estimated \$2.35 million.

Finally, Super Kansas Cash will also draw tonight. This Kansas-only game gives two plays for every \$1 spent and is paid out in one lump sum prize. The Super Kansas Cash jackpot for tonight is \$1.125 million. To be eligible to win in tonight's drawings, players must purchase their tickets before 8:59 p.m.

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn® Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn® is a registered trademark of Pollard Banknote Limited used under license.
