Players may have noticed that they were not able to purchase as many drawings on their Powerball tickets. That is because there is a game change at the end of September coming to Powerball in Kansas! The new [DoublePlay](#) feature can be added to any Powerball ticket for an additional \$1. The DoublePlay is a secondary drawing that immediately follows the main Powerball jackpot drawing, where players can win up to \$10 million!

The new DoublePlay feature will begin with the September 22, 2025, drawing. As that date gets closer, there will be fewer multi-draw options for players in preparation for the game change. Starting on September 22, players will be able to purchase up to 15 drawings in advance as they could before.

There are other jackpots up for grabs tonight as well! The Lotto America jackpot is at \$2.55 million for tonight's drawing. Tickets start at just \$1, with the optional addition

of the \$1 All Star Bonus multiplier. Additionally, Super Kansas Cash also draws tonight, with a jackpot of \$1.245 million. Players get two plays per \$1 in this Kansas-only game.

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn® Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn® is a registered trademark of Pollard Banknote Limited used under license.
