### **Largest Powerball Jackpot of 2025 Up for Grabs Saturday Night**

TOPEKA, KAN. – At an estimated \$700 million, it has been over a year since the Powerball jackpot, or any jackpot, has climbed so high! In fact, it is the largest Powerball jackpot since April of 2024, and players in the Sunflower State are excited to see big jackpots return.

The weekend kicks off on Friday night with Mega Millions, which has already climbed to an estimated \$234 million (\$105.1 million cash option) for tonight's drawing after the jackpot was hit in Virginia at the end of June.

Saturday has three different million-dollar jackpots, starting with Powerball at an estimated \$700 million prize (\$316 million cash option). Additionally, Lotto America draws on Saturday night and currently has an estimated \$2.3 million jackpot (\$1.03 million cash option). Finally, Super Kansas Cash has rolled up to \$1.1 million after last being won in March by a player in Northeast Kansas.

An easy way for players to make sure they are in for all their favorite games is to take advantage of the Lottery samplers, which are available at every lottery retailer and ticket vending machine. See Kansas Lottery website for price and ticket information on each type of sampler option [here](#).

Players are invited to submit all their winning and non-winning tickets in the Kansas Lottery PlayOn® Players Loyalty program to earn points for drawing entries and a chance to win cash and other prizes! PlayOn® is a registered trademark of Pollard Banknote Limited used under license.
